

Compounding Rewards

How It Works: If you invest money, it grows monthly through compounding (reinvesting the profit).

- 9 Month, Monthly ROI 9%
- 12 Month, Monthly ROI 12%
- 18 Month, Monthly ROI 18%
- 24 Month, Monthly ROI 24%

Key Rule: Your investment is locked for the chosen period, so you can't withdraw early.

Compounding Rewards Example

If you invest \$500, your money grows monthly through compounding, which means you reinvest the profit each month, and your total investment grows over time. Let's take a look at the monthly profit and how your investment grows based on different Return on Investment (ROI) rates for 9 months, 12 months, 18 months, and 24 months.

9-Month Plan (Monthly ROI: 9%)

In this plan, you receive a 9% ROI each month. Your investment grows as the profit is added to your total amount, and the next month's profit is calculated on the new, larger amount.

Initial Investment: \$500

Monthly ROI: 9%

Month	Profit
1	\$ 45
2	\$ 49.05
3	\$ 53.46
4	\$ 58.27
5	\$ 63.52
6	\$ 69.24
7	\$ 75.47
8	\$ 82.27
9	\$ 89.68

At the end of 9 months, your total profit would be **\$585.96**.

12-Month Plan (Monthly ROI: 12%)

In this plan, you receive a 12% ROI each month.

Initial Investment: \$500

Monthly ROI: 12%

Month	Profit
1	\$ 60
2	\$ 67.20
3	\$ 75.26
4	\$ 84.29
5	\$ 94.41
6	\$ 105.74
7	\$ 118.43
8	\$ 132.65
9	\$ 148.57
10	\$ 166.40
11	\$ 186.37
12	\$ 208.73

At the end of 12 months, your total profit would be **\$1,448**.

18-Month Plan (Monthly ROI: 18%)

In this plan, you receive an 18% ROI each month.

Initial Investment: \$500

Monthly ROI: 18%

Month	Profit
1	\$ 90
2	\$ 106.20
3	\$ 125.32
4	\$ 147.88
5	\$ 174.50
6	\$ 205.91
7	\$ 242.97
8	\$ 286.70
9	\$ 338.31
10	\$ 399.21
11	\$ 471.07

12	\$ 555.86
13	\$ 655.91
14	\$ 773.97
15	\$ 913.28
16	\$ 1,077.66
17	\$ 1,271.64
18	\$ 1,500.53

At the end of 18 months, your total profit would be **\$9,337**.

24-Month Plan (Monthly ROI: 24%)

In this plan, you receive a 24% ROI each month.

Initial Investment: \$500

Monthly ROI: 24%

Month	Profit
1	\$ 120
2	\$ 148.80
3	\$ 184.51
4	\$ 228.80
5	\$ 283.71
6	\$ 351.80
7	\$ 436.23
8	\$ 540.92
9	\$ 670.74
10	\$ 831.72
11	\$ 1,030.53
12	\$ 1,274.26
13	\$ 1,571.68
14	\$ 1,933.88
15	\$ 2,374.01
16	\$ 2,908.17
17	\$ 3,555.73
18	\$ 4,340.86
19	\$ 5,293.67
20	\$ 6,451.15
21	\$ 7,858.02

22	\$ 9,567.94
23	\$ 11,646.24
24	\$ 14,171.34

At the end of 24 months, your total profit would be **\$77775**.
